Partograph Training: “Empowering Skilled Birth Professionals”
Date: August 22-24, 2017
Venue: The Blanket Hotel, City of Ilagan, Isabela

In the relentless commitment of the Isabela Provincial Health Office-Field Health Services in delivering quality maternal and newborn health services, the IPHO-FHS has recently conducted a Partograph Training with the theme, “Empowering Skilled Health Professionals,” last August 22-24, 2017 at The Blanket Hotel, City of Ilagan, Isabela.

Furthermore, this is in compliance with the World Health Organization (WHO) commendation on using the Partograph as a tool to monitor both progress of labor and maternal as well as fetal well-being to reduce maternal and neonatal morbidity and mortality rate in the province thru capability building among frontline health workers. Attended by health workers from the seven (7) provincially maintained hospitals together with identified integrated hospitals and Rural Health Units ,resource speakers were invited from the Department of Health Regional Office.

The 3-Day Training-Workshop was packed with information on Philippine Health Agenda and updates on Maternal and Newborn health provincial situationer, Basic Emergency Obstetrics and Newborn Care (BEmONC) overview and a workshop on the proper use of Partograph based on scenarios. In conclusion, ,participants were asked to accomplish the learning application plan as basis for post-training evaluation.

FAMILY PLANNING MONTH LAUNCHING
Accelerating The Reduction Of Unmet Need For Family Planning Services
Date: August 23, 2017
Venue: Daragutan East , San Mariano, Isabela

The Month of August of every year has been designated as the **National Family Planning Month**, a celebration that centers on the attainment of a better quality life for the mother, the father and the family as a whole, with the theme: “*Kapag ang Pamilya ay Planado, Palaging Panalo!*”

The activity was conducted at Daragutan East, San Mariano, Isabela last August 23, 2017.

The activity aims to provide FP information to women of reproductive age with unmet need as a basis for decision-making on the choice of FP method to use, to link FP information-giving to service provision like counseling, provision of chosen FP commodities and referrals for long-acting permanent methods and long-acting reversible contraceptives.

A heartwarming welcome message from the barangay chairman opens the Family Planning month launching activity

The beaming faces of women of reproductive age with unmet needs at Daragutan East, San Mariano, Isabela show excitement on the activity

The Provincial Family Planning program coordinator lectures on the program through a very participative way.

San Mariano RHU staff, IPHO representatives and the barangay officialdom poses for a souvenir shot after the Family Planning Month Launching

ORIENTATION ON FAMILY PLANNING’S INFORMED CHOICE & VOLUNTEERISM

Date: August 4, 17& 18, 2017

Venue: Cauayan District Hospital, Gov. Faustino N. Dy Memorial Hospital and Manuel A. Roxas, District Hospital

The Department of Health’s Administrative order No. 2011-0005 entitled “Guidelines on Ensuring Quality Standards in the delivery of Family Planning Program and services through compliance to Informed Choice and Volunteerism” was issued on 23, June 2011 to reiterate observance, compliance and adherence to the prescribed principles on INFORMED CHOICE AND VOLUNTEERISM(ICV) in all health facilities providing Family Planning (FP) Services.

As to date, 3 district hospitals of Isabela were already oriented on ICV. This aims to provide Universal Access to quality information and services to men and women whenever and wherever needed and enable them to make ICV to use the modern FP method best suited to his/her needs.

REACHING OUT IN THE SPIRIT OF PUBLIC SERVICE
PART 2

Date: August 9 & 16, 2017
Venue: Delfin Albano and Reina Mercedes, Isabela

The Provincial Government of Isabela under the excellent leadership of Gov. Faustino “Bojie” G. Dy III and Vice-Governor Antonio “Tony Pet” T. Albano spearheaded **“FARMERS CONGRESS-RELOADED” cum Medical/Dental Mission** intended for the people of Isabela . In keeping with its mission of providing the best quality of life to every Isabeleño thru various programs, projects and innovations addressed specifically to the marginalized citizenry of the province most particularly our farmers, this noble endeavor was a big success.

As a proof, the table below reflects the number of recipients from the health services unselfishy provided.

Municipality	Health Services Provided		
	Medical	Dental	BRO-LUSOG
Delfin Albano	955	161	200
Reina Mercedes	710	109	175

Farmers Congress: Delfin Albano 8-9-17

Governor Bojie Dy III and Vice Governor Antonio Albano led the Farmers Congress Reloaded at the Municipality of Delfin Albano

The Rural Health Physician from the IPHO extends health service and health education to a constituent.

Our inspired Provincial Dentists of Isabela Provincial Health Office led in giving Dental Service for the promotion of a better smile of our constituents at Delfin Albano.

Nurses from the Field Health Services assist in the admission of patients.

Farmers Congress: Reina Mercedes 8-16-17

IPHO Nurses together with the staff of RHU of Reina Mercedes admit bulk of clients in the municipality

The Provincial Dentists performs tooth extraction to a child.

IPHO medical doctors provide consultation and medical advice to a mother with a sick child.

The provincial pharmacist dispenses medication prescribed by doctors to the patients.

ORIENTATION ON FP/ANC/EPI INTEGRATION STRATEGY

Date: August 2, 2017

Venue: RHU San Mateo, Isabela

In coordination with LuzonHealth, the Integrated Provincial Health Office Field Health Services conducted the orientation on FP/ANC/EPI Integration strategy for twenty-six (26) Barangay Health Workers of the Main Health Center of San Mateo last August 2, 2017.

The activity aims to reach out to women with unmet needs through the integration of Family Planning (FP) and Antenatal Care (ANC) into the Expanded Program on Immunization as well as guide the health workers in using the Expanded program on Immunization (EPI) as a venue to provide FP and ANC referral messages to encourage mothers with unmet FP and ANC needs to learn more about FP/ANC services available in the health facility such as counseling and other services.

The LuzonHealth partner addresses the factors that contribute to unmet needs

A Barangay Health Worker applies her information- giving and counselling skills on Family Planning

Several barangay health workers practice on one-on-one counseling to women with unmet needs

A thankful MHO staff strikes a pose after the activity
