“USAPAN SESSION PARA SA KALUSUGAN”

Date: April 27, 2017

Venue: Cabagan, isabela

Usapan is a demand-generation activity of the Department of Health thru its development partner, LUZON Health of USAID that directly links service delivery to increase public awareness on Family Planning. It utilizes counseling not as a discrete activity but part of the continuum for providing information and counseling(demand) that will lead to the use of a Family Planning method (service) supported by available commodities and referral networks (policy). The PHO team highly takes active role in its implementation.

The purpose of *Usapan* is to provide simple information and help clients choose a particular method according to his/her reproductive intentions. The methodologies are conversational (usapan), with simple structured participatory exercises.

There are variants of USAPAN namely:

- Usapang Pwede Pa - Men and Women of Reproductive Age (M/WRPA) with need for Birth Spacing
- Usapang Kuntento na- (M/WRPA) with need for Birth Limiting
- Usapang Bagong Maginoo – males with need for birth limiting (Vasectomy)
- Usapang Buntis 1&2 (pregnant women and partners)

Women of reproductive age (WRA) from Cabagan attend the Usapan session.

A partner from LuzonHealth facilitates during the Family Planning discussions

The participants as they view and react with FP messages through social media (film showing)

LuzonHealth and IPHO Health Education Promotions Officer and supervising Nurse addresses the factors that contribute to unmet needs for Modern Family Planning.

“A Noble Deed towards Progress and Development in Isabela”

March 22,2017

Venue: Sindon Bayabo, City of Ilagan

As part of its Corporate Social Responsibility(CSR),the Provincial Government of Isabela sponsored a *Medical-Dental Mission* in support of the Ilagan- Divilacan Road Rehabilitation and Improvement project, at Barangay Hall, Sindon Bayabo, City of Ilagan last March 22, 2017. The staff of the Provincial health Office, Field Health Services unselfishly shared their skills on board two (2) mobile Dental Health buses. Around 363 patients were attended and examined as well as 44 dental patients were catered.

Following the event, a special trip to the Ilagan- Divilacan road rehabilitation and Improvement project, Forestry Unit Office took place. Here, constituents from the Based Camp were provided with Hygiene kits and water jugs for use.

Constituents of Barangay Sindon Bayabo, City of Ilagan, line up for the medical /Dental mission.

Barrio folks excitedly wait their turn for registration and vital signs taking.

“LGU Partnership for a Healthier Isabela”!
April 11, 2017
Venue: Provincial DOH Office

The LGU Health Scorecard is an annual survey being conducted by the Department of Health in partnership with the province thru the Field Health Services, to monitor the progress of health reform implementation and assess the performance of health systems at the local level.

The objectives of this activity include the following : to continually improve the accuracy, reliability and completeness of Health information system of LGU scorecards reported, to create a learning environment (conducive and friendly environment) between the LGU and us as partners , and lastly to foster closer coordination and cooperation.

Relative to this, a special meeting was called for last April 11, 2017 at the PDOH office to plan and schedule the actual LGU scorecard validation in identified areas from different districts of Isabela on the basis of performances. Specific programs include in the Scorecard include Maternal Health, Family Planning, Nutrition, TB and Water & Sanitation. The strategies employed were composed of two validation groups both representing from the PDOH and IPHO utilizing the prescribed tools and setting up the final schedule of actual LGU scorecard validation. These are:

DATE	AREAS TO BE VALIDATED
April 25-26, 2017	San Pablo and Reina Mercedes
May 4-5, 2017	Jones and San Mariano
May 17-18, 2017	Cauayan City Health Offices 1&2
May 30-June 2, 2017	Dinapigue
