GOVERNANCE FOR BETTER HEALTH SERVICE!

Date: May 23, 2017

Venue: Mini Conference Hall, Office of the Provincial Governor

Governance in the health sector refers to a wide array of steering and rule-making related functions carried out by decisions makers to achieve health policies and objectives that are conducive in attaining better health outcomes. As a testimony of good governance, the Provincial Health Office once again spearheaded a meeting with its members and development partners to discuss relevant issues in preparation for the “OPLAN BALIK ESKWELA 2017” come June 5, 2017.

Salient issues were tackled such as the Dengue Fever Situation in the province which is one of the health threats that may pose danger among our young Isabelenos due to the possible upsurge of Dengue Fever cases as the rainy season is approaching. To complement the nation-wide “Brigada Eskwela” initiative of DEPED, the Provincial Government deemed it highly necessary to re-launch the “Todas Dengue, Todo Na ‘To! Ika-Apat na Kagat” mainly to promote collaborative effort among all agencies for a simultaneous clean up drive for the protection among schoolchildren. Along with this, reproduction of IEC advocacy materials and preparation of logistics for the control and prevention of cases in all municipalities.

Atty. Lopez, the Provincial Administrator gives his insights regarding the need to combat Dengue Fever

Dr. Manlongat presents the Dengue Fever situationer in the entire province

The Provincial Information Officer, Mr. Jessie Geronimo recommends the re-launch of “ Todas Dengue, To’do Nato” as a proactive approach against Dengue Fever prior to the opening of classes

The Division Superintendent, Dr. Amin from DepEd pledges his full support and cooperation

ISABELA CONTINUES ITS FIGHT AGAINST DENGUE FEVER!

Date: May 26, 2017

Venue: Amphitheater, Provincial Capitol, Alibagu, City of Ilagan, Isabela

In preparation for the possible rise in Dengue Fever cases , the Provincial Government of Isabela in coordination with the Provincial Health Office, conducted the grand launch of **“TODAS DENGUE TODO NA ‘TO!, IKAAPAT NA KAGAT”** last Friday, May 26, 2017 held at the Amphitheater, Provincial Capitol, Alibagu, City of Ilagan, Isabela.

This is a campaign project that will target school- aged children who are of higher risk contacting Dengue Fever most especially with the opening of classes by June 5, 2017 after it was agreed by the members of the Provincial Local Health Board Meeting conducted last May 23, 2017. It was attended by City and Municipal Health Officers, members of the local committee on health both at the provincial and municipal levels and Liga ng mga Barangay Presidents.

Hon. Napoleon M. Hernandez, Jr ,
Sangguniang Panlalawigan,
Chairman, Committee on Health
delivers his opening remarks.

Dr. Filemon S. Donato, Provincial
Health Officer II, presents the
Dengue Situationer in the Province
of Isabela.

**“ATTAINING AND SUSTAINING ZERO UNMET NEED FOR MODERN
FAMILY PLANNING”**

Date: May 2-5, 2017

Venue: Richville Hotel, Mandaluyong City

The Responsible Parenthood and Reproductive Health Act of 2012 (RPRH Law) mandates the universal provision of reproductive health (RH) services including family planning (FP). This is to ensure that unmet need for Modern Family Planning (MFP) are met in order to prevent unplanned and mistimed pregnancies that are associated with higher risk of complications during pregnancy and childbirth as well as have long-term socio-economic implications.

The Executive Order no. 12 on “Attaining and Sustaining” Zero Unmet Need for Modern Family Planning through the strict implementation of the RPRHJ Act was signed by President Rodrigo R. Duterte last January 9, 2017. The Department of Health as the lead agency in the implementation of the RPRH law, drafted an administrative order to create a significant impact in addressing the unmet need for modern family planning (FP) method.

Relative to this, the DOH- Disease Prevention and Control Bureau (DOH-DPCB) conducted a 3-day Orientation Planning with selected DOH and LGU personnel for the implementation of the Administrative Order on achieving the Desired Family Size through the Accelerated and Sustained Reduction in unmet need for Modern Family Planning.

The OIC Division Chief of DOH-
Disease Prevention and Control Bureau
welcomes the participants.

Day 1: Break-out group of Region
2, DOH Reg.2, IPHO, SIGH,
CVMC, VRH convenes for the
workshop.

Day 2: Small group discussions on the Family Planning draft plan of Implementation for Region 2

Breakout group of Region 2 develops the Family Planning Program Implementation Plan for 2017-2018 for presentation

Day3: Plenary presentations and development of Family Planning Plan of Implementation 2017-2018 for the different regions.

Asec Myrna Cabotaje gives her closing remarks urging everyone to “Search those with unmet needs, and that no one gets left behind”.

Sustainability of Hospital Directly Observed Treatment Short-course
Chemotherapy(DOTS) thru Monitoring
April 18-21, 27-28, 2017

The Philippine Coalition Against Tuberculosis (PhilCAT) through the support of the Global Fund to Fight AIDS, TB and Malaria (GFATM) conducted hospital monitoring activities together with DOH RO II and TB coordinators from provincial and city health offices where a total of 10 private DOTS referring facilities in Isabela were scheduled. The activity focuses on the sustainability of Hospital DOTS implementation since this PhilCAT project will end this year and will be then turned over to the Department of Health RO II. The group had a talk with the management along with the hospital TB team and had a discussion with regards on their commitment for the sustainability of DOTS implementation in their respective facilities. In line with this, all hospitals public and private are mandated to implement the Hospital DOTS referring system since it is now part of the requirements in hospital licensing.

"ASO MO, ALAGAAN MO CAMPAIGN IN THE BARANGAYS"

Date: May 2, 3 & 5, 2017

Venue: City Of Ilagan, San Guillermo & Cauayan City

The Provincial Health Office-Field Health Services in partnership with the Provincial Veterinary Office gears for the implementation of the Executive Order no.2 directing all Local Chief Executives in the province of Isabela to strictly enforce the Republic Act 9482 otherwise known as 'THE-RABIES ACT OF 2007' on dog impounding and field control to eliminate the dangers posed by stray dogs, focusing on the decrease of rabies bite victims in the province.

The activity was conducted in the municipalities and cities of the province with high number of rabies bite victim as evidenced by consolidated reports from January- February 2017 submitted by the four (4) provincially-maintained districts hospitals namely: Governor Faustino N. Dy Memorial Hospital (GFNDMH),Cauayan District Hospital, Milagros Albano District Hospital and Manuel A. Roxas District Hospital.

The orientation aims to facilitate dog impounding at all barangay levels in order to decrease number of stray dogs that will subsequently contribute to the decrease the number of bite victims as well as emphasizing the need for being responsible pet owners. With the active participation of barangay leaders coupled by steadfast support of SB members on Health, Isabela will enjoy a "Rabie-Free Province of Cagayan Valley!".
