2ND QUARTER NATIONAL SIMULTANEOUS EARTHQUAKE DRILL

As part of its mandate to ensure safety for all Isabelaños and to create awareness on all matters concerning Safety protocol, the Office regularly conducts earthquake drills consistent with other Safety and Disaster Risk Reduction movements nationwide.

The 2nd Quarter National Simultaneous Earthquake Drill was conducted on June 29, 2017 which involved evacuation activities within Capitol grounds led by Atty. Constante A. Foronda, Jr., Provincial Public Safety Officer, and Ret. PD. Jimmy U. Rivera, Assistant Public Safety Officer and concurrent PSG Chief while PDRRMO Edmond A.

Guzman, DRRM Consultant Benito Ramos, Provincial Fire Marshall Juanito Diamsay of the BFP, Provincial Director Reynaldo Garcia of the Isabela Police Provincial Office, Capt. Jimson Talamayan of the Philippine Army and City Fire Marshall Danilo Maramag joined forces for the earthquake and fire drill at the Casa del Niño Montessori School.

Due to the Province commitment to maintain the Safety practice, Capitol employees were deemed quite aware of the evacuation proceedings and were able to flawlessly perform the same during the drill with minor or minimal hitches which is expected since not only employees, but visitors are also

encouraged to join the activities in preparation for the real thing.
