OFFICE OF THE PROVINCIAL SOCIAL WELFARE AND DEVELOPMENT

ACCOMPLISHMENT REPORT

January to March 2018

INTRODUCTION

Pursuant to RA 7160, Section 17, the provision of Basic Social Welfare Services is vital in uplifting the living conditions and improving the quality of life of the poorest sector of the population to enable them to become self-reliant and contribute to national development. Hence the state is committed to the care, protection, and rehabilitation of that segment of the country's population (individual, family and community) that has the least in life in terms of physical, mental, and social well-being as well as social welfare assistance and social work intervention, to restore normal functioning and participation in community development.

In support to the mandate, the Provincial Social Welfare and Development Office continue to perform its responsibility with focus and dedication guided by the Vision, Mission, and Goal stated below:

VISION

Empowered individuals, families, and communities with improved quality of life and performing their expected roles, and able to mobilize resources to meet their basic needs.

MISSION

Provide a balanced approach to welfare and development whereby the needs and interest of the population are addressed not only at the outbreak of crisis but more importantly at the stage which leads to such crisis.

GOAL

To provide every Isabeleño access to world-class social services and social protection by the year 2030.

The PSWD office is geared towards uplifting the wellbeing of the disadvantaged sector through provision of different programs and services, *to wit*:

Highlights of Accomplishment

- ✓ Monthly provision of basic services to Aeta families at Cabisera 10, San Antonio, City of Ilagan, Isabela.

- ✓ Monthly Meeting of the Isabela Senior Citizen Organization

- ✓ Monthly provision of Supplemental Feeding in areas with high prevalence of malnutrition

1. San Mariano – Alejandrino School
2. Quezon
3. San Pablo
4. Ilagan City – Cabisera 10

**POST EVALUATION REPORT
CAPACITY BUILDING AND BENCHMARKING ACTIVITY
DAVAO CITY AND MANILA
FEBRUARY 1-5, 2018**

DAVAO CITY COUNCIL FOR THE PROTECTION OF CHILDREN (DCCWC)

1. Strong and active partnership and coordination of members of DCCWC coming from government, NGOs, faith based, Academe and People's Organizations
2. Active involvement of NGOs within the locality
3. City ordinances are properly implemented
4. Level of responsiveness is proficient to address the needs of the children

KEAN GABRIEL HOTLINE

1. Established systematic mechanism and protocol in ensuring quick action and response in rescue for abused children
2. Strengthened partnership with barangay officials and leaders
3. Presence of social worker in every barangay to cater the children in need of special protection
4. Joint effort of Quick Response Team(QRT) and Barangay Council in assisting minors.

5. QRT are more vigilant during Friday night, weekend and holidays because of possibility of profusion of bystander and night life activities.
6. 24/7 duty of team, consist of social worker, PNP-WCPD, and Call taker on three (3) shifting.
7. Team Members should be skilled in driving.

CHILD –MINDING CENTER

1. Infants and toddlers are well taken care by midwives supervised by social workers in an air-conditioned and safely structured room while their parents are off to work, free of charge except for infant formula and food of children.
2. The Center is open from 8 AM to 5 PM

PUBLIC SAFETY AND SECURITY COMMAND CENTER

1. Mobile Clinic (Bus size) serves as lying center can accommodate 15 injured persons for medical intervention with complete facilities
2. Marking of electrical posts serves as basis in tracking the accident for quick response in the absence of CCTV in other city area.
3. Support of CCTV and big monitor that could easily monitor the violators in the road, smoking or any form of crim.
4. It can easily address the different safety and security issues that may possibly arise within the city
5. Served as strategic command and coordinating center s to safety, security, criminality , emergency and traffic response
6. Facilitated information and served as anchor to monitor and report violators for immediate apprehension

CENTRAL 911

1. Easy access/ link between citizens needing assistance and emergency resource of police, medical, fire and rescue
2. Availability of Emergency Computer Aided Dispatch that enables the authority to identify the location of distressed call
3. Exemplary equipped with state-of-the art facilities and equipment utilized during disaster and emergency situations
4. 24/7 rotation of staff including personnel in supply room
5. Staff members were very well-versed of their roles and responsibilities and accommodating during the guided tour.
6. Availability of coaster not only to transport members of Davao Disaster Council but also serves as space for planning while on way to the incident area
7. Availability and utilization of big bikes as first responders in emergency cases.

CHILD PROTECTION UNIT OF UP-PGH

1. Presence of multi-disciplinary team members(social workers, psychologists, doctors, police etc) in the CPU to provide comprehensive medical and psycho-social services to abused children
2. Focused on psychological rehabilitation of survivor-victim rather than filing of complaint or case
3. Availability of Kids' court as a psycho-social approach in preparing kids for court proceedings.

4. The CPU is equipped with complete and facilities such as child-friendly interview room (with one-way mirror), play room, therapy and wellness room ideal for healing and recovery of victim-survivor
5. Provides training for multi-disciplinary team (doctors, police officers and social workers)

HOSPICIO DE SAN JOSE

1. Accredited as Center Of Excellency by the DSWD
2. Strong and active partnership with NGOs

RECOMMENDATIONS

1. Increase level of responsiveness to address concerns and needs of a child to the best we can.
2. Enhance multi-agency and multi-sectoral participation in promoting Child development and Child Rights.
3. Adopt best practices of Davao City and CPU of UP-PGH for having a quick response Team to address violence against women and children.
4. Build and sustain linkages with the community and NGO's.
5. Hiring of clinical psychologist who will conduct psychological interventions
6. Putting up of child minding center for working and lactating mothers of PGI employees to be replicated by the City/Municipal and barangay level.
7. Reactivation of CPU at the GFNDY Memorial Hospital.
8. Training for multi-disciplinary team in handling special cases for children who are victim of abuse.
9. Installation of "marked electric post" to track location of incident in areas not covered by the CCTV.
10. Setting up of Women & Children Protection Desk in the airport and bus terminal.
11. Linking with the neighboring Provinces for proper monitoring of possible victim of trafficking in person.
12. Success of program depends on the dedication and discipline of council members.
