QUARTERLY ACCOMPLISHMENT REPORT

of

Women and Children Protection Center

April - June 2018

I. Introduction

This quarter has been remarkable and significant to the Women and Children Protection Center as the compliances of all recommendations and requirements of 2017 assessment. The highlights of accomplishment is more in the safety and physical structure of the center such as the repair of fence, repair of visitor's comfort room and repair of guard house while on the other work areas, under the administration and organization component particularly in the conduct of 3 days Program Review and Planning Workshop and conduct of Team Building has already accomplished and submitted the documented results with pictorials.

Other repair and improvements initiated by the Provincial Government is the enhancement of the existing accessibility facility (Ramp), repair of two (2) door jamb of WCPC office, repainting of Women and Children Protection Center building and replacement and upgrading of CCTV camera from 4 windows to 6 windows. Behind all of this accomplishment is the approval of funds, provision of resources needed thru the good Provincial Administrator, Atty. Noel Manuel R. Lopez.
