CY 2018

### ANNUAL REPORT OF ACCOMPLISHMENTS

The Office of the Provincial Treasurer is concerned with the implementation of policies, rules and regulations in local government finance that would promote the financial stability and growth of the Province and its municipalities and develop their potentials for accelerating national development. It exercises technical supervision and such other functions provided by law over all municipal treasury offices and hospital cashiers.

In line with the above mandate, we at the Provincial Treasurer's Office including the 34 Municipal Treasury Offices of Isabela, with the full support of our LCEs, have undertaken effective tax collection strategies to improve the financial status of the Province.

The collection of Delivery Van Taxes under the Local Government and Provincial Revenue Codes is strictly enforced and for this, we have maintained checkpoints in Cordon, Roxas, San Pablo and City of Ilagan (infront of the Provincial Capitol), to ensure that all entry and exit points of the Province are properly posted with collectors. We also mobilized our field collectors to go directly to our taxpayers in their business locations and to standby in supermarkets to collect the taxes and related fees due to the Provincial Government of Isabela.

We intensified the collection on Sand and Gravel Taxes and Fees and strictly monitored the extraction activities of Sand and Gravel Permittees in coordination with the Environment and Natural Resources Office.

Conducted Consultative Meetings presided by the Hon. Governor, with Local Government Units, contractors, permittees, haulers, concerned NGAs like Department of Public Works and Highways, Department of Agriculture and National Irrigation Authority in relation to quarry operations and the imposition of taxes and fees.

We coordinated with LGUs and NGAs to require Contractors to secure Clearance from this Office on the payment of Sand & Gravel Tax and its related fees before payment of their claims.

With the effective implementation of these strategies, the collection on Sand and Gravel Taxes increased by 90.21 % compared with last year’s collection of P13,639,601.61.

	2017	2018	INCREASE	% OF INCREASE
SAND AND GRAVEL TAX	P13,639,601.61	P25,944,022.17	P12,304,420.56	90.21%

We maintain updated listings of businesses and persons subject to provincial tax impositions as bases in the collection of the corresponding taxes and its related fees.

We have done reassignment of collectors and cashiers to address various concerns as well as to avoid familiarity with taxpayers.

We harmonize our efforts with our co-Finance officers toward a more systematic and orderly performance of our duties, as well as with other revenue-generating offices to increase collections.

We maintain records on collections of premiums of the Isabela Provincial Healthcare including disbursements therefrom as per duly processed and approved claims.

We maintain records on releases of **BRO** Programs of the Provincial Government of Isabela to qualified beneficiaries. Collections on repayment of loan assistance are likewise monitored in coordination with the BRO-FAP Office and the Municipal Treasury Offices.

## **2.0 SUPERVISION OVER LOCAL TREASURY OFFICES**
