ACCOMPLISHMENT REPORT

For the Period January to December 2022

HOSPITAL PROFILE

The Cauayan District Hospital is a government owned and operated hospital under the leadership of Gov. Rodolfo T. Albano III, Provincial Governor, Isabela. It is a Level I Health facility with an Authorized Bed Capacity (ABC) of 50 beds while it's Actual / Implementing Beds reaches 100 beds.

Cauayan District Hospital is a Philippine Hospital Association member in good standing, PhilHealth (PHIC) and Animal Bite Treatment Center (ABTC) accredited.

The institution has been serving as the core-referral hospital previously of District III municipalities and after Cauayan City was reapportioned to District VI, additional municipalities are now being catered to. This does not prevent however, non-member municipalities from bringing in their patients for various health care services.

VISION

In order to be more responsive and effective to the changes and challenges of times and to the constantly increasing demands for affordable healthcare services from our clientele, the Cauayan District Hospital envisions to be operational as One Hundred (100) bed capacity hospital.

MISSION

The Cauayan District Hospital commits itself to continually respond to the healthcare needs of the people of Isabela and adjacent provinces and to provide comprehensive, effective, affordable and acceptable health care services.

Our Annual Statistical Report will show a very remarkable decrease in our Bed Occupancy Rate (BOR) for the past 2 years during the Covid-19 pandemic.

<u>Year</u>	<u>Bed Occupancy Rate</u>	<u>Daily Average No. of Patients</u>	<u>Total In-Patients Surgeries</u>
2018	147.59%	74	584
2019	139.26%	70	452
2020	75.34%	38	568
2021	72.25%	36	514
2022	83.89%	42	352

The above figures could be reflected to the joint leadership of the Albano-Dy Administration focusing their concerns to the Health of the People of Isabela by constructing additional infrastructure, improving the existing health facilities, hiring competent medical personnel and providing additional equipment, sufficient drugs/medicines and supplies.
